

## **I Come To You**

Lord, I come to you.  
To ask you to forgive.  
All the things I've done.  
And the ways I chose to live.

Lord, I bow before you.  
And know you see all of me.  
Lord, please take the good.  
And from the rest, please set me free.

Oh, precious Lord.  
I come with a humble heart.  
To seek the tender mercy.  
That only you can impart.

Lord, I fall before you.  
And pray you take me in.  
I cry within my soul.  
That you died for all my sin.

Lord, I worship you.  
With all my heart and soul.  
Lord I pray to you.  
To cleanse and make me whole.

Lord, please take me now.  
Remake my life anew.  
Lord, please take me now.  
Lord, I come to you.  
(Repeat second verse and chorus)
