

## Heavenly Father

I feel your presence, I can feel your touch.  
Oh heavenly father, I love you so much.  
Oh heavenly father, I feel your touch.  
Oh heavenly father, I love you so much.

You make me tremble, you take my breath away.  
Oh awesome God, my love will never stray.  
Oh, heavenly father, you take my breath away.  
Oh, awesome God, my love will never stray.

Since I now know you, since I felt your hand.  
Oh, blessed one, my love for you will stand.  
Oh, heavenly father, since I felt your hand.  
Oh, blessed one, my love for you will stand.

I tremble in your presence, in awe and with dismay.  
That you would reach to me, I can only humbly pray.  
Awesome God, my love will never stray.

I feel your presence, Lord, I can feel your touch.  
Oh heavenly father, I love you so much.  
Oh heavenly father, I love you so much.
